"Nanci is a terrific addition to our board," said Mike Tuchen, CEO, Talend. "The expertise and insights she's gained leading marketing and sales efforts for world-class software companies will be invaluable as we scale our business internationally and expand our enterprise customer base."

Ms. Caldwell is the former Executive Vice President and Chief Marketing Officer of PeopleSoft Inc. Prior, she spent nearly two decades at Hewlett-Packard in increasingly senior and executive sales and marketing roles in Canada, U.S. and globally. A highly sought after corporate director, Caldwell currently sits on the boards of CIBC, Citrix, Equinix, and Donnelly Financial Solutions.

Caldwell's experience includes advising on all aspects of corporate strategy, including mergers and acquisitions and product direction, transitioning from product to customer and solution-focused business models, and enhancing and extending global brands.

"Organizations of all sizes and from all sectors are dealing with an unprecedented and growing explosion of data. The ability to harness the data, glean insights and use it for competitive advantage is quickly moving to the top of their strategic objectives," said Caldwell. "Talend's proven next-generation integration platform is uniquely positioned to enable organizations to capitalize on this transformational opportunity. I am looking forward to working together with Mike and the entire Talend team during this exciting time."

Talend completed its initial public offering in July 2016, raising net proceeds of approximately \$91.6 million. The company's open source-based solutions allow organizations across a broad and growing range of industries to improve business performance by using data to create new insights and automate processes. During the third quarter of 2016, Talend's Big Data and Integration Cloud solutions delivered combined subscription revenue growth of more than 100 percent year-over-year for the seventh consecutive quarter.
