

## Talend Honors Leaders in Cloud and Big Data Innovation with 2019 Partner Excellence Awards

January 10, 2019

REDWOOD CITY, Calif., Jan. 10, 2019 (GLOBE NEWSWIRE) -- [Talend \(NASDAQ: TLND\)](#), a global leader in [cloud](#) data integration software, today announced the winners of its Talend Partner Excellence Awards. This recognition celebrates partners that demonstrate innovation in cloud and big data services and technologies, helping joint customers be more agile, effective and data-driven. This year's awards are broken into two categories: achievement of success measured by superior customer achievement and best support of Talend's core values, with award winners revealed in a ceremony during the annual Talend Engage conference taking place this year at The Broadmoor Hotel in Colorado Springs, Colorado.

"With a first-class ecosystem that spans globally, we are honored to work closely with these outstanding companies," said Rolf Heimes, Head of Channel and Alliances, Talend. "Each of the award recipients we've recognized exemplifies the values that drive our business."

"As we look to what we want to accomplish as an organization in 2019, our partners will play a key role in increasing our presence with cloud and big data deployments," said Mike Pickett, Senior Vice President, Corporate & Business Development.

The Partner Excellence winners are judged using a range of criteria including creativity and innovation, project scope and complexity, as well as overall business value achieved for customers in cloud and big data. This year's Talend Partner Excellence Award recipients in both categories include:
